Program (FSRP) – Original Financing (178132)
and Additional Financing (P180211)**

Phase 2 Under the Multi-Phase Programmatic Approach

**ENVIRONMENTAL and SOCIAL
COMMITMENT PLAN (ESCP)**

Draft for Negotiation

16 November 2022

ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The Republic of Sierra Leone (*the Recipient*) will implement the West Africa Food System Program (FSRP) – Phase 2 under the Multiphase Programmatic Approach (*the Project*) (P178132) with the involvement of the Ministry of Agriculture (MOA), National Water Resources Management Agency (NWRMA), Sierra Leone Meteorological Agency (SLMA), Ministry of Trade and Industry (MTI) through the National Development Partner Project Coordination Office (NDPPCO or PIU), as set out in the Financing Agreement (“Original Financing Agreement”). The International Development Association (the Association) has agreed to provide the original financing (P178132) and additional financing (P180211) for the Project, as set out in the referred agreements. This ESCP supersedes previous versions of the ESCP for the Project and shall apply both to the original and the additional financing (for Project referred to above).
2. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards (ESSs) and this Environmental and Social Commitment Plan (ESCP), in a manner acceptable to the Association. The ESCP is a part of the Financing Agreement. Unless otherwise defined in this ESCP, capitalized terms used in this ESCP have the meanings ascribed to them in the referred agreement(s).
3. Without limitation to the foregoing, this ESCP sets out material measures and actions that the Recipient shall carry out or cause to be carried out, including, as applicable, the timeframes of the actions and measures, institutional, staffing, training, monitoring, and reporting arrangements, and grievance management. The ESCP also sets out the environmental and social (E&S) instruments that shall be adopted and implemented under the Project, all of which shall be subject to prior consultation and disclosure, consistent with the ESS, and in form and substance, and in a manner acceptable to the Association. Once adopted, said E&S instruments may be revised from time to time with prior written agreement by the Association.
4. As agreed by the Association and Recipient, this ESCP will be revised from time to time if necessary, during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to Project performance. In such circumstances, the Recipient through the Ministry of Agriculture agree to update the ESCP to reflect these changes through an exchange of letters signed between the Association and the Chief Agriculture Officer or their assigned representative. The Recipient will promptly disclose the updated ESCP.
